

THE ROE PTO ANNUAL FUND FINANCIAL GOAL WAS MET!

60% of all students' families participated!

Liner, Martin, Calderon, Argue, Clark, and McQueen had the highest participation for their grades!

Dr. Fovargue will be working from the roof on Wednesday, October 28th!

Congratulations to everyone for doing their part in making the Annual Fund a HUGE success this year. We exceeded our financial goal AND we had a stellar 60% participation.

THANK YOU!

As we mentioned previously, there are some great prizes! Below is a chart that shows participation for each class. Highlighted in blue are the winners! Each of these winning classes will receive doughnuts on Wednesday, October 28th.
